Sherry
Dear Sir or Madam,

On behalf of over 3,000 students, the Junior Achievement of Northwest Florida Board of Directors would like to thank you for your contribution to this organization.

Your financial commitment to the youth in our community through this program will shape the future of our economic structure.

Since 1919, Junior Achievement has provided business and economic programs that help prepare today's youth to be tomorrow's leaders.

The Junior Achievement classroom environment is exciting. We invite you or a representative to visit one of our in-school programs. We will be glad to arrange a visit for you at your convenience. The best way to see the benefits of your investment in action is to be a part of the program and be a classroom consultant.

Our organization is funded entirely through donations from the community and all of our consultants donate their time and experience to the youth as we inspire and prepare young people to succeed in a global economy.

Sincerely,

Leanne Todd
