Pensacola, FL 32501

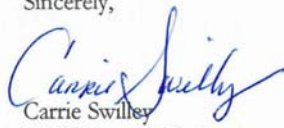

Dear Ms. Sheets,

Thank you for supporting the Santa Rosa County Chamber of Commerce 73rd Annual Leadership Awards & Installation Banquet. Your contribution provided an opportunity to recognize and celebrate those businesses, individuals, and organizations that sustain our quality of life, maintain our business community, and provide vision for our future.

In addition to these special recognitions, hundreds of our members came together for fellowship, networking, and an opportunity to take special pride in where we have been and who we are. Along those lines of recognizing our history and successes and looking to the future, the "new" Chamber logo was introduced. What an exciting evening for our Chamber and our community!

We sincerely appreciate your participation and support.

Sincerely,

Carrie Swilley
2009 Banquet Chair
