Dear Ms. Sheets,

On behalf of Big Brothers Big Sisters of Northwest Florida, I wanted to take a moment and send a huge THANK YOU your way from the Board of Directors, President & CEO, and the children of our community. Bowl For Kids' Sake is our largest annual fundraising event that supports our many programs for children. With the money raised, we will be able to increase the number of children that are matched with caring adult mentors.

By investing in this event, Baptist Health Care has helped to secure a brighter future for the children of Northwest Florida. Please convey our gratitude to the members of your company. We have one mission— to inspire, encourage, and nurture the youth of Northwest Florida through long term, personal relationships with carefully screened and dedicated volunteers. Amazingly, after only twelve months in a Big/Little match, these children are twice as likely as their peers to avoid drug use, perform better in school and get along better at home and in the community. It's a program that really works!

We sincerely appreciate your sponsorship and it is our hope you will remain connected to our programs and events in the future. In the meantime, if I can provide you with any additional information about Big Brothers Big Sisters please do not hesitate to call me. I can be reached at 433-KIDS (5437). Thank you for helping Big Brothers Big Sisters impact the community one child at a time.

Sincerely,

Liza Hawkins
