Dear Ms. Hartnett,

I wanted to personally thank you for participating in the Escarosa Summer Career Fair. Your involvement helped make this event an impressive venue for those seeking employment.

Our greatest resource is our American workforce. In these trying economic times, it is imperative for communities to partner job seekers with those looking to hire new talent. Many people in our local area participated in the Career Fair and it is due to your support that it was such a success.

If there is ever anything my staff or I can do to assist you in any way, please do not hesitate to contact us. With warm personal regards, I am

Sincerely,
