Dear Ms. Hartnett:

My! How thoughtful and generous of your hospital to donate to our disaster fund. Receiving your \$1,000.00 contribution was just another reminder of how folks in our country respond when others are in need.

Many lives have been lost and affected by the devastation from the fury of storms on April 27, but people from our state and surrounding states have responded to this need with generous contributions and working hands for which we are most grateful.

Our foundation and hospital employees have been very generous in their support of the Disaster Fund. We especially appreciate the generosity from your hospital.

Sincerely,

Trudy McKnight Grisham

TMG/ed
