Dear Al,

We would like to express our deepest gratitude for your donation to the Marshall Health System employees who were affected by the devastating storms in April of this year.

Your generous gift was used to give employees a hand up who have lost their homes, their belongings, their savings, but most of all their ability to live as they had before the storms. We know we speak for all of them when we say the assistance you have provided could not have meant more.

In recognition of your donation, please accept this small token of appreciation. We have also commemorated your gift by engraving a leaf on the Foundation for Marshall Medical Centers' Giving Trees so that for years to come our staff, patients, physicians and community will remember your generosity during this time of need.

Again, thank you for all you have done to support our staff and our organization.

Sincerely,

Gary R. Gore, CEO  
Marshall Medical Centers
