Dear Ms. Hartnett:

Thank you for selecting Pensacola Young Professionals to partner with again this year as a Silver sponsor and for your generous donation of \$1,000.

Pensacola Young Professionals is entering its 5th year as a non-profit organization for young professionals who are dedicated to making a difference in Pensacola. Five years ago we developed goals such as engaging young people in civic activities, cultivating young leaders, attracting and retaining talent, bridging the gap between old Pensacola politics and the next generation, and giving young professionals a stake and a voice in the community. We have had great success in realizing these goals.

Through five generations of the PYP board and leadership teams, PYP has cultivated leaders and many of our members have been appointed to non-profit and civic boards throughout the community.

The Pensacola Professional Development Institute (PPDI) continues its successful endeavors to train management of local companies and emerging professionals from our local colleges. PPDI also inspires the community with its yearly seminars and "Leadercasts."

Internship Pensacola was created in an effort to fulfill our mission to retain local talent, and the program continues to empower companies across the Pensacola Bay area in finding the talent they need.

Our teams, led by volunteers, have educated not only our members but also the community at-large on key issues affecting them, with forums, speakers, and meet-and-greet events.

All of this has been made possible through the vision and generosity of partners like Baptist Health Care. We know you get many requests for sponsorship and your support is truly appreciated by our organization, so that we can improve the quality of life for people in Pensacola. Thank you for all that you do for PYP and for our community!

Yours truly,
