Dear Ms. Sheets,

Your generosity and caring helps families have a place to sleep, hot meals to eat and the comfort of knowing they are only steps away from their sick child. But that is not all; your giving also helps families realize that there really are caring people in this world. Thank you for your generous donation of \$1,000.00, in support of our Fire Truck Pull fundraiser.

Little Matthew was born at 26 weeks gestation and was life flighted to Pensacola from Emerald Coast Hospital for treatment in the NICU. Mom didn't know anything about the

Ronald McDonald House when Matthew was born, nurses at Emerald Coast told her about it. When she arrived in Pensacola and at RMH, she was nervous and worried about Matthew. Mom said that access to the kitchen and other areas of the house made her feel at home. She was able to form friendships with other families during her time at the House, bonding over meals and after late night visits to the hospital. Mom wants everyone to know "that no matter how difficult

your situation may be, with love, faith, and hope miracles do happen."

We can be reached at (850) 477-CARE, judy@rmhc-nwfl.org or events@rmhc-nwfl.org with any questions regarding our service to others.
