Dear Kaps for Kids sponsor,

Thank you so very much for helping serve families and children who are accessing life-saving care in Pensacola. It is our honor to use funds raised through Kaps for Kids to provide a Home-Away-From-Home for the families of critically ill children who must travel to Pensacola so that their children have the best chance for a cure or recovery.

One of our supporters, Mr. Patrick Murphy, came to us recently wanting to give not only to the Ronald McDonald House but also to the businesses that support RMH. He has donated free training classes on customer service, time management, supervising employees, public speaking, etc. In appreciation for your Kaps for Kids sponsorship, Mr. Murphy would like to offer you two free admission tickets to any training class offered by Murphy's Business Training Center.

The enclosed certificates are from one Ronald McDonald House sponsor to another and are for you to use as you choose.

On behalf of the families we serve, thank you again for supporting the Ronald McDonald House.

Sincerely,

Angie Hanson
Development Director
