Dear Ms. Hartnett,

The Santa Rosa Domestic Violence Council wants to express our sincere thank you for your sponsorship of our domestic violence awareness event to honor law enforcement. The event was an occasion where law enforcement officers, NAS Whiting Field officers, council members, Judges, court officials, elected officials, DC&F, social services, family law court, and domestic violence survivors in our community came together to say “thank you” to individual law enforcement officers who exemplify the goals of the council in their professional response to domestic violence crime in Santa Rosa County.

We truly appreciate your support of our event. Please find enclosed your receipt and a program from our event.

Sincere Regards,

***Kristen Klein***
