21 August 2010

Dear Friends at Baptist Hospital,

Wesley Memorial United Methodist Church and Covenant Church of God partnered to host our fourth annual, Back to School Bash on August 21st. It was an amazing success, with close to 4500 people in attendance, due in large measure, to the participation of a number of organizations such as yours.

I would like to personally thank you for your generous support and participation. As you know the day of the Bash the temperature was extremely high. The 20x20 tent made it possible for our attendees to find some welcome shade. You have once again proven that Baptist Hospital cares about our community. We couldn't be more grateful for your fabulous support. Without your help, we would have had very little restful shade for our largest crowd as of yet.

It is our intention to try to continue this outreach program over the coming years and look forward to working together with you in the future. Once again, thank you from the bottom of our hearts. **YOU HAVE MADE A DIFFERENCE!**

With our utmost respect for all that you do, we remain deeply in your debt.

Sincerely,

Mark Dees
Pastor
