

YMCA

We build strong kids,  
strong families, strong communities.

November 2, 2010

Ms. Susan Sheets  
Baptist Health Care  
1000 W. Moreno St.  
Pensacola, FL 32501

Dear Susan:

On behalf of the YMCA of Northwest Florida, please accept my sincere thanks for being an important part of this year's Corporate Cup Games.

With 20 companies and hundreds of participants, spectators and volunteers involved in the day's events, the Games offer a great way to promote fun, fitness and fellowship through the Y. We love the opportunity to work together with our friends in the for-profit sector to get everyone more active!

We are especially grateful to Baptist/Andrews for again serving as a Gold Sponsor for the Games. Without your commitment, this simply couldn't happen. I'm sure your capturing the winning trophy for the 4<sup>th</sup> year in a row also keeps you all coming back!

We know that there are many worthwhile events in our community, and I am sure that you are frequently asked for your financial support and participation. Thank you for making the Corporate Cup Games a priority. I love seeing teams really come together, show their company pride, and have a ball while doing it.

When we begin planning Corporate Cup 2011, we'll be sure to contact you early so you can plan once again to be part of this unique and worthwhile event!

Sincerely,

Andrea L. Rosenbaum  
Director of Advancement
