Get Health Pensacola! Open House

Get Healthy Pensacola! held its annual open house on Thursday, May 14, 2009 from 11am to 1pm in the Medical Meeting Rooms of Baptist Hospital. This free community event was held to promote the Get Healthy Pensacola! wellness program and provide free health screenings and health education information. More than 120 people attended. 57 free heart risk assessments, total cholesterol screenings and blood pressure checks were performed as well as 41 blood glucose screenings and hearing screenings. In addition, GHP! business sponsors such as Pilates, Pensacourt and James Fritschle, LMT were present to discuss how their organization could benefit the health of the attendees.
