

## I AM A BAPTIST HEALTH CARE BABY.

The Baptist Mother Baby Care Center has everything to help welcome a new baby like me. They offer pre and post-natal classes for new parents, such as Infant Massage, Infant Care and Breastfeeding, and even classes for older siblings and daddies. Their online retail store also offers a full line of breast pumps, nursing bras, clothing, CDs and DVDs. Most of all, Baptist offers a caring loving environment focused on you and your baby to help keep your experience as personal as it should be.
