Dear Mr. Stubblefield:

Movement for Change (MFC) extends our thanks to you for being a Sponsor in our 9th Annual Freedom Is Not Free Banquet. The donation is graciously appreciated. Your continuous community support helps to improve quality life for all and build a stronger community. It is not often that businesses like yours openly shows support and accepts the community values and opportunities that diversity brings. Your commitment enhances us to have more opportunities to assist and serve our community better.

Movement for Change is forever grateful and appreciative of your support to our organization. Again, we thank you and we look forward for more opportunities to work closer with you.

Sincerely,

LeRoy Boyd
